Frixa: The Olive Oil of Athena Restaurant, Georgie's Diner, and Café Alcazar

Frixa, a village perched atop the rolling hills of Greece, overlooks the river Alfeios and beyond. Blessed by the Mediterranean sun and gentle rains, these olive groves have been tended by the same families for thousands of years. This is an exceptionally pure olive oil, delivered to you exclusively from the groves of Frixa.

The Chryssaidis family have been in the business of making olive oil for generations. Frixa olive oil is the only olive oil that is used at Athena Restaurant, Georgie's Diner, and Café Alcazar. With such an attention to quality ingredients, it is no wonder why Athena is St. Augustine's premiere Greek restaurant.
